

URUGUAY	
Institution	Agencia Nacional de Investigación e Innovación (ANII) / National Research and Innovation Agency
Name	María Laura Fernández
Email	cooperacion-internacional@anii.org.uy
Telephone number	(+598) 2 600 44 11
Initial Funding Commitment	50.000 Euros
Tentative number of project partners to be funded with the funding commitment	Up to 2

Typo of funding model:

- Full cost

What types of costs are eligible for funding?

The items that are considered by ANII as fundable for R&D projects are listed below:

- Materials and supplies
- Lab equipment and other equipment
- Consultants
- Training
- Services
- Building adaptation
- Bibliographic material
- Software
- Protection of intellectual property
- Promotion and dissemination
- Administration expenses (up to 5% of the total budget)
- Contingencies (up to 5% of the total budget)
- Salaries
- Technical staff
- Travel. Only Travel allowance and tickets for the team's members are eligible for funding and only for activities related to the project's execution or to the presentation of the project's results.
- Visiting professors. Travel allowance, tickets and fees are funded.

Additional national eligibility criteria for the proposal beyond the general criteria in the Call Text of the joint call.

We would not accept applications whose Main Researcher is in a noncompliance situation with any ANII's Program.

Each project responsible can be responsible and/or co-responsible of up to two R&D projects with National funding (ANII, CSIC, INIA, etc.) in simultaneous execution (we will consider the starting date of each project)

Each project responsible and co-responsible can't have more than 60 hours per week among all the activities that executes (including teaching hours and from other public and private jobs)

Upper funding limits for eligible costs?

The maximum amount of the requested Project required by the Uruguayan partner is up to € 50.000.

Who can apply?

The applicants should be research groups that must belong to national institutions public or private nonprofit, involved in research and development and/or innovation activities.

The main researcher and all the researchers of the Uruguayan partner of the project must have their CV in CVuy format.

Each researcher must present a statement of the ongoing projects, with the number of hours of each one and the estimated completion date (according to our web model).

A letter of endorsement shall be submitted from the participating institution (according to our web model).
